

# Jesús Martínez Hierro

## Game/Software Developer

### ABOUT ME

Hi!  
I'm interested in game programming, team work and learning new things.  
All my experience and studies have been influenced by my passion of making great, polished and enjoyable software.  
In my free time I enjoy learning new engines, new programming languages and new technologies.

### EDUCATION

**HND in Creative Media Production**  
CEV Barcelona | From Sep. 2014 to Jun. 2016  
**High degree of Higher Technician in 3D Animation, Games and Interactive Environments**  
CEV Barcelona | From Sep. 2014 to Jun. 2016  
**Technician Title of Microcomputer Systems and Networks**  
Salesians Sarrià | From Sep.2012 to Jun.2014

### EXPERIENCE

**Software Developer**  
Developing applications and doing I+D on new technologies to use in Unity Engine for SEAT Design and other clients. Worked with Unity 2D/3D, Unreal Engine, VR/AR applications, Android/iOS applications and Machine Learning (Real-Time Object Detection) in Unity Engine.  
<https://es.edag.com/es/>  
<https://www.seat.es/>
